Recreation Soccer - even though this is recreation soccer we partner at the Grades 1st - 6th level with teams from other cities. This will require you to play some games in neighboring towns such as Biddeford and Old Orchard. The 5th & 6th grade level may be asked to travel to Scarborough, Gorham and South Portland as well as Biddeford & Old Orchard for games on Saturdays. These teams are also Recreation teams and do not play in the "Travel Division" under the Soccer Maine governing body. Just like Saco, these towns are experiencing drops in numbers at the older age groups so we have formed a Recreation Division so there are more teams to play. If you have questions about this please call Kevin Lombard at 283-3139.
