

Got HHW?

2010 Residential Household Hazardous Waste Drop-Off Days
Biddeford, Old Orchard Beach, Saco and Scarborough
Residents WELCOME. Proof of residency REQUIRED!
HAZARDOUS WASTE drive-thru collection event. Please bring unwanted household hazardous waste in sealed containers. Use original containers where possible or transport materials in cardboard boxes.

September 18th, Saco Public Works,
351 North St., Saco
Time: 8 A.M. to Noon

Properly disposing of hazardous materials is a great way to make sure that those items do not end up in our rivers and streams of Saco Bay. HHW dumped on the ground can be carried to our local waters by stormwater (rain that "runs off") and can cause serious damage to our environment. For more information, visit www.thinkbluemaine.org.
