MEMORANDUM

TO: Mayor Doyle and City Council
FROM: Bryan T. Kaenrath, City Administrator
DATE: February 8, 2021
RE: **Administrator's Report**

Beach Parking

The Saco Traffic Safety Committee is interested in your feedback about beach parking. Please complete the online survey, which is open until February 22nd, to share your thoughts on beach access and parking.

This survey will allow for a wide variety of citizen input from Saco residents to anyone who visits Saco's beaches. The collected data will assist Traffic Safety Committee members, city staff, and elected officials when making decisions about a comprehensive beach parking plan for this summer.

You can complete the survey by clicking here: <https://sacopdd.typeform.com/to/YC9OPkqS>.

Thank you for taking the time to participate. Your feedback is essential to this process.
