REGIONAL SCHOOL UNIT NO. 23 REFERENDUM - CONTINUED

To insure that the cost sharing of additional local funds in RSU 23 is equitable, the RSU shall apply the following cost sharing provisions: For operational year four of the RSU (FY2012-2013) each municipality's share of additional local funds shall be calculated by applying that municipality's percentage of additional local funds in FY 2008-2009 to the amount of the RSU's additional local funds for FY 2012-2013, up to an amount equal to 80% of the RSU's total additional local funds for FY 2011-2012 (hereinafter the "Maximum Base Amount" as follows:

	FY 2008-09 Percentage	Maximum Base Amount for FY 2012-13
Dayton	14.64%	355,730
Old Orchard Beach	39.80%	967,460
Saco	45.56%	<u>1,107,492</u>
		<u>2,430,682</u>

Any additional local funds in operational year four in excess of the Maximum Base Amount (hereinafter the "New Formula Amount") shall be allocated to the RSU's member municipalities based 50% on each municipality's percentage of the average number of pupils on April 1 and October 1 in the prior calendar year and 50% on each municipality's percentage of State valuation for the prior calendar year (hereinafter the "New Formula").

For operational years five through eight of the RSU (FY2013-2014 through FY 2016-2017) the cost sharing formula for additional local funds shall be the same as for operational year four except that the Maximum Base Amount shall be reduced to zero in four equal annual steps and the New Formula Amount shall include any additional local funds raised in excess of the Maximum Base Amount for that year. For operational years nine (FY2017-2018) and thereafter, each municipality's share of additional local funds shall be calculated entirely on the basis of the New Formula.

The RSU Board of Directors shall conduct periodic re-evaluations of the formula and make suggested amendments as may be deemed appropriate to send to referendum. These periodic reviews shall occur no less than every 5 years.
