## City of Saco Bid Solicitation Public Works Department

The City of Saco is soliciting bids for a 2020 Ford F-450 plow truck. Bids must be submitted **on the bid response form** in a sealed envelope marked **“Ford F-450”**. Bids will be accepted until **2:00 PM on Wednesday, July 8, 2020** at the Finance Office, Saco City Hall, located at 300 Main Street, Saco, Maine, 04072. There will be a public opening of all bids received at that time.

Any questions regarding the bid specifications should be directed to John Wentworth, Fleet Manager, at [jwentworth@sacomaine.org](mailto:jwentworth@sacomaine.org), Public Works Department, 351 North Street, Saco, Maine 04072 or by calling (207)284-6641 Ext.536.

The attached bid response form must be completed and included with your bid. Failure to submit a complete bid package will nullify your bid. The City of Saco reserves the right to accept or reject any or all bids or negotiate with a particular bidder following the bid opening without right or recourse by bidders, if it is in the best interest of the City to do so.

The City of Saco is sales tax exempt.

# Public Works Department Ford 2020 F-450 Plow Truck Bid Specifications

This specification is intended to describe Ford **F-450 Plow truck** to be used for Plowing and Maintenance by the Saco Public Parks and Rec Department. The Ford F-450 vehicle will be a new, regular production model for which published specifications are available. Modifications of the equipment to meet operational requirements of this specification shall be limited to the manufacturers published and optional standards.

Bidders shall list and explain in writing any and all deviations from these specifications. Bidders shall provide sufficient detail and proof needed to assist the city in fully evaluating compliance with detailed specifications. Failure to do so may result in rejection of the bid in its entirety.

**Specifications**

The vehicle shall conform to all required EPA and DOT regulations in effect at the time of delivery. It shall be equipped with all standard equipment, components, and safety features necessary for operation and normally supplied, even if not identified in specifications. The vehicle shall have full manufacturer's preparation and ready for service upon delivery.
